

OFFICE OF INSPECTOR GENERAL

SEMIANNUAL REPORT SUMMARY

APRIL 1, 2024 - SEPTEMBER 30, 2024

AmeriCorps OIG is an independent office that works to protect the integrity of national and community service by providing independent oversight, identifying and mitigating risks and vulnerabilities, and promoting accountability and integrity in AmeriCorps' programs and operations.

Our work demonstrates our commitment to independent and objective oversight of AmeriCorps programs and operations. Our talented staff deserve the credit for the accomplishments reflected in this semiannual report and our success is because of them. We will continue to work collaboratively with our partners and stakeholders to protect and oversee AmeriCorps programs and operations.

OUR VISION

To be a catalyst for continuous improvement through objective, innovative and trusted oversight.

KEY AUDIT TAKEAWAYS

The following remain challenges for
AmeriCorps and its grantees and subgrantees:

- **Noncompliant timekeeping,**
- **Subrecipient monitoring, and**
- **Financial management.**

AmeriCorps met many requirements but did
not fully comply with the Payment Integrity
Information Act (PIIA) as found in our May
2024 audit.

MANAGEMENT CHALLENGES

AmeriCorps OIG issued a Top Management
Challenges Report identifying the major
challenges facing AmeriCorps:

- Improving Financial Management
- Prioritizing Grant Fraud Prevention and Detection
- Modernizing and Securing Information Technology
- Emerging Challenge: Effective Utilization of American Rescue Plan Funding
